

Council 4 AFSCME Testimony

Labor Committee

3/513

My name is Brian Anderson. I am a legislative and political representative for Council 4 AFSCME, a union of 35,000 Connecticut public and private employee members.

Council 4 supports:

S.B. No. 1033 (RAISED) AN ACT CONCERNING STATE EMPLOYEE BENEFITS

This bill will prevent problems, such as one that recently occurred, in which a state employee does not sign the proper form to allocate pension or survivor benefits to a spouse.

H.B. No. 6556 (RAISED) AN ACT CONCERNING SICK BUILDINGS

This bill helps to provide assistance to workers whose health has been adversely impacted by working in a sick building.

I would be happy to answer any questions or provide further information. Thank you.
